Professional Summary

Multitalented Chemistry graduate with practical experience in laboratory science, quality control, UI/UX design, and multimedia production. Combines strong analytical skills with creative problem-solving to deliver results in both scientific and design environments. Adaptable, fast-learning, and driven to contribute value across diverse roles.

EXPERIENCE

Science Laboratory Technologist,

Aries Polytechnic Ibadan. Ibadan, Oyo

January. 2024 - July. 2024

- Designed, organize and supervised laboratory experiments aligning with the curriculum and fostering a safe and effective learning environment.
- Maintained laboratory equipment and supplies while mentoring students on best practices in scientific research and experimentation.

Quality Control Analyst,

R&J Unique Ventures . Ibadan, Oyo

Jan. 2022 - Nov. 2023

- Performed comprehensive quality analysis on raw materials and finished soap products, ensuring alignment with internal standards and regulatory requirements to maintain product integrity and brand consistency.
- Oversaw in-process quality control checks by monitoring key production

parameters (e.g., pH levels, moisture content, saponification rates), contributing to consistent batch quality and reduced defect rates.

- Maintained meticulous quality documentation, including test results, deviation logs, and equipment calibration records, ensuring traceability and readiness for audits and compliance reviews.

Laboratory Assistant, Aanuoluwapo Medical Laboratory and Diagnostic centre.

August. 2019 - September. 2021

- Maintained accurate patient records and laboratory data ensuring error-free documentation and efficient workflows.
- Assisted medical technologists and physicians in conducting tests and preparing reports by supporting team-based problem-solving.

EDUCATION

Lead City University , Ibadan, Oyo.

-Bachelor of Science, Chemistry , (In view)

The Polytechnic Ibadan , Ibadan, Oyo

-Higer National Diploma, Applied Chemistry (Upper Credit)

Sept. 2021 - Aug. 2023

SKILLS

*UI/UX Designing. *Graphics Designing. *Project management. *Team Collaboration.
*MS Office. *Strong leadership. *Video editing. *Time Management. *Analytical Thinking.
*Adaptability & Quick learning. *Creativity & Visual Communication.

ACHIEVEMENTS

- National Youth Services completion Certificate (NYSC)
- Awarded Certificate for the completion of the 2-days Digital Revolution organised by the Oyo State Government.
- Awarded Certificate of Internship in Graphic designing at DISKS™
- Awarded Certificate for the completion of the Jobberman Soft-skills Training.
- Award of Excellence as the Honourable Speaker (NASTES)
- Awarded Certificate of Participation for completing the Leadership Seminar Training with Lucis Leadership Academy.
